

Dear friends and partners!

We all agree that the war in Ukraine brings a lot of poverty and suffering to people, both to those who have stayed there and those who managed to flee to other countries. Poland where I have been living for many years, has received the main wave of the refugees. This wave of people engulfed in grief has also been rolling over our small church.

Since the first days of the war our church has been active in the process of showing manifold help to the refugees. We have been picking people up from the border, not only Polish-Ukrainian one but also from the Ukrainian-Hungarian one.

Thanks to God's grace we have managed to rent a 2-bedroom flat. We have also been using a 2-bedroom flat belonging to a local Polish church. Also the whole of our church meeting space has been adjusted to receive our countrymen. We've had a need to buy mattresses, bed clothes, blankets and pillows.

Everyday we help with resettling of not less than 40 people. Our church has become a help center for the refugees. We feed them with warm lunches, we clothe those who escaped in just what they were wearing, we give them roof, help in sending them to other countries, give spiritual support and some basic legal advice.

Obviously all of the above requires financial means. After these few days of war we are in serious need of additional financial means for the following needs:

- buying of food
- gas
- urgent renovation of an 8-seats car (\$1000)
- paying the bills for water, gas, electricity, etc.
- buying mattresses and other sleeping accessories
- material support for the low-income families who opened their homes for the refugees

Although our people have been giving generously and serving sacrificially, we need your help friends. I turn to you with request for help for us in going through this blessed period of serving our neighbor.

If God gives us the necessary means, we would like to:

- rent a big house to receive as many refugees as possible (\$3000-4000 per month)
- renovate and equip a store for humanitarian aid (~\$10000)
- buy a second hand bus for transporting people (at least \$10000)

Thank you dear friends for having been faithful till today in your support!

May God bless you!

Your brother in Christ
Aleksander Ilin
